

AFFYMETRIX GENECHIPS

Please see <http://www.affymetrix.com/products/arrays/index.affx> for entire listing, including 26 additional species.
Most Expression GeneChips are available in multiples of 2; DNA analysis GeneChips are in multiples of 30.

EXPRESSION ANALYSIS				COST PER SAMPLE FOR YALE		
Species	Part#	Name	# of transcripts	Array cost ¹	Service Fee ²	Total cost
Human	900470	Human Genome U133 Plus 2.0	~47,400	\$400	\$399	\$799
	900516	Human X3P	~47,000	\$400	N/A	\$400
	900651	Human Exon 1.0 ST Array	1.4 million probe sets	\$500	\$450	\$950
Rat	900505	Rat Genome 230 2.0	~30,000	\$375	\$399	\$774
Mouse	900495	Mouse Genome 430 2.0	~39,000	\$400	\$399	\$799
Arabidopsis	900385	Arabidopsis Genome ATH1	8,200	\$275	\$399	\$674
Drosophila	900335	Drosophila Genome 2.0	18,000	\$250	\$399	\$649
DNA ANALYSIS ARRAYS				COST PER SAMPLE FOR YALE		
Species	Part#	Name	# of SNPs	Array cost ¹	Service Fee ²	Total cost
Human	900770	Mapping 250k Sty	250,000	\$90	\$245	\$335
	900768	Mapping 250K Nsp	250,000	\$90	\$245	\$335
	900518	Mapping 50K Xba240	50,000	\$200	\$237.50	\$438
	900523	Mapping 50K Hind240	50,000	\$200	\$237.50	\$438
	900540	Mapping 10K 2.0	10,000	\$160	\$250	\$410

¹ GeneChips ordered through the Keck Facility will be assessed a 15% administrative fee.
Affymetrix® products can be purchased directly from Affymetrix.

² Cost to process sample from purified total RNA or genomic DNA; "Hybridization only" services are also available.

ORDERING INFORMATION

CONTACT INFORMATION Phone 888-362-2447 (888-DNA-CHIP)
 Fax 800-499-7309 / 408-481-9442
 customerservice@affymetrix.com

PURCHASE ORDER **Your purchase order MUST HAVE the following information to process:**

- 1 Name, telephone number and fax
- 2 Full invoicing (billing) address
- 3 Full shipping address
- 4 Purchase order number (for order tracking purposes)
- 5 Affymetrix part number(s) and quantity of each
- 6 Your pricing (contact Keck Facility for Yale pricing)
- 7 Any special requirements (e.g. delivery date)
