

ILLUMINA BEADCHIPS

[Click here for additional product information for GENE EXPRESSION.](#)

[Click here for additional product information for SNP GENOTYPING.](#)

EXPRESSION ANALYSIS					COST PER SAMPLE FOR YALE INVESTIGATORS			
Species	Part#	Name	capacity/ array ¹	# of transcripts	Array cost ²	Service Fee/Array ³	Array + Service	Cost per Sample
Human	BD-101-0203	Human 6 v3	6 samples	~47,000	\$960	\$1,080	\$2,040	\$340
	BD-25-213	HumanRef 8 v2	8 samples	~23,000	\$800	\$1,440	\$2,240	\$280
Mouse	BD-201-0202	Mouse 6 v2	6 samples	~47,000	\$960	\$1,080	\$2,040	\$340
	BD-26-213	MouseRef 8 v1	8 samples	~24,000	\$800	\$1,440	\$2,240	\$280
	BD-27-303	RatRef 12	12	~24,000	\$1,200	\$2,160	\$3,360	\$280
SNP ANALYSIS ARRAYS					COST PER SAMPLE FOR YALE INVESTIGATORS			
Species	Part#	Name	capacity/ array ¹	# of SNPs	Array cost ²	Service Fee/Array ³	Array + Service	Cost per Sample
Human	WG-311-1401	CNV370 Quad	4	300k	\$864	\$560	\$1,424	\$356
	WG-311-1001	610 Quad	4	550k	\$1,044	\$560	\$1,604	\$401
	WG-311-1105	1M Duo	2	1 million	\$1,044	\$280	\$1,324	\$662

¹ Each beadchip has separate chambers to accommodate several samples. Unused sections are not recoverable.

² BeadChips ordered through the Keck Facility will be assessed a 15% administrative fee, plus shipping & handling. Illumina® products can be purchased directly from Illumina.

³ Cost to process samples from purified total RNA or genomic DNA; "Hybridization only" services are available for expression

ORDERING INFORMATION

CONTACT INFORMATION Phone 800-809-4566
 Fax 800-499-7309 / 408-481-9442
orders@illumina.com

PURCHASE ORDER Your purchase order MUST HAVE the following information to process:

- 1 Name, telephone
- 2 Full invoicing
- 3 Full shipping address
- 4 Purchase order number (for order tracking purposes)
- 5 Illumina part number(s) and quantity of each
- 6 [Your pricing \(click here for SNP products quotation\)](#)
- 7 Any special requirements (e.g. delivery date)
